

## A SPECIAL REMINDER FOR ALL PATIENTS HAVING GENERAL ANESTHESIA

1. Nothing to eat or drink for eight (8) hours prior to surgery. All necessary medications may be taken with a sip of water.
2. No fingernail polish, acrylic, or sculptured nails.
3. A short sleeve, loose fitting shirt should be worn.
4. No sandals, clogs, or any shoes that may be difficult to walk in.
5. If you should be pre-medicated with antibiotics due to pre-existing conditions, please contact necessary doctors prior to surgery.
6. A parent driver (or responsible, adult driver if over 18) must accompany you and stay in our office during surgery.
